### **Highlight Reel - A La Carte Menu**

The following services can be added "A La Carte" to the Highlight Reel Packages:

#### ***B-Roll Footage - \$100***

- Videographer will iso-film your player during practices, in the classroom, at home, with friends, etc. The choice is up to you.
- Footage obtained will be added to final project to add a more personal perspective to your highlight video.

#### ***Player Interview - \$100***

- Videographer will schedule and shoot a personal interview with your player.
- The interview will help your player's personality, intellect, and demeanor show through.

#### ***In Season Spotlight - \$200***

- Videographer will iso-film your player during 3 games during your player's regular season.
- Footage obtained will be added to final project to highlight your player in off-the-ball and sideline situations.

#### ***Film Narration - \$50***

- Video Editor will add a voice-over narration to the video during post-production.
- Film Narration adds dramatic effect to your video, perfect for those who want a video keepsake to capture memories.
